

I'm Pedro, a software developer by profession, hobbyist [game dev](#) *build* and [avid gamer](#) *videogame\_asset*

Always looking out for new technologies that solve problems in efficient and scalable ways. Big fan of small services. Currently working for [Drover](#) *directions\_car* in sunny [Lisbon](#) *wb\_sunny*

Latest tech stack includes Elixir, the Phoenix framework, Broadway, Ruby on Rails, Amazon (SQS, SNS, ECS Fargate, EC2, RDS), and Docker.

Check out my [Resume](#)
